Leadership Spotlight

JANUARY 2024 NEW EMERALD DIRECTORS

JENNIFER BRAWNER
NEW EMERALD | FORNEY, TX

Who are you? What is your background?

My name is Jennifer (Jeni) Brawner. I'm 50 years old, married to the love of my life, a mother to 3 amazing women, and grandmother to the sweetest 18 month old boy.

I was in the medical field for years. I moved back to my home state of Texas in 2019 to marry my high school sweetheart! I no longer work in ultrasound and my Nu Skin business is my passion.

How did you find out about Nu Skin?

I discovered Nu Skin products through my husband's friend, Wendy Wiser on Facebook. It all started with that first tube of whitening toothpaste! I became a loyal customer! Wendy asked me for a year to do the business with her, but I had zero self confidence and told her "no" so many times. Finally, after a year, I decided I would sign up! I was so impressed with the fact that she was actually "in real life" friends with all of the amazing women in the business

Why are you doing Nu Skin?

I was longing for some real friendship connections and I was seeing so much of that through her Wendy's posts. I figured, if I can make some money AND great friendships, why not give it a try???? I'm SO thankful that I did! Not only have I made my absolute BEST friends, I have attained a whole new type of confidence within myself!

What are you most excited about for 2024?

I am so excited to share this business and our products with other women in 2024! Being able to help other women change their own lives is such a blessing. I'm so ready to do some hand holding with other women as they start this journey! I'm here for it all!

KRISTEN WROBEL
NEW EMERALD | CLARKSTON, MI

Who are you? What is your background?

Hi! I'm Kristen and I'm a part-time realtor, coach's wife and mom of 4!!! Our 3 boys (13, 12, 11) all play multiple travel sports and my daughter (6) is my best friend!!

Spotlights | January top new pin titles (cont'd)

I have a double major from GVSU in Finance & Management. I've also worked in multiple specialties in the healthcare industry. I grew up having a dad who was a principal so my childhood centered around strict rules, good grades & excellent behavior, shaping who I am today.

How did you find out about Nu Skin?

I found Nu Skin as a result of purchasing a bottle of Dermatic Effects! I could not believe how simple, and flexible this business opportunity was! I joined Nu Skin for the product discount but quickly realized the potential for growth.

Why are you doing Nu Skin?

I'm so grateful for this gift and I love that I'm setting an example for my children that they can do anything they put their mind to. I'm not only doing this for my family, but for myself, to grow as a person, to be part of something bigger!

What are you most excited about for 2024?

I have huge goals for this year that include adding many more women to my team & helping them to grow, increasing my Vitameal & Force for Good donations, continuing to show my children that hard work pays off & growing as an individual - constantly becoming a better version of myself!

NANCY DOUGHERTY
NEW EMERALD | WAYNE, PA

Who are you? What is your background?

My name is Nancy Dougherty and I have been an insurance broker for 30 years and a needlepoint shop owner. Married for 30 years and mother of 3.

How did you find out about Nu Skin?

I used the whitening toothpaste and then learned I could make money myself so I jumped in!

Why are you doing Nu Skin?

My Nu Skin business gives me flexibility and is helping me achieve my financial goals.

What are you most excited about for 2024?

I am most excited to help my team grow in 2024!

In 2022, only 23.58% of Active U.S. Nu Skin Brand Affiliates earned sales compensation, and the average sales compensation paid to U.S. Active Brand Affiliates each month was \$237, before deducting expenses.
