## CELLTRETREX® ALWAYS RIGHT RECOVERY MASK

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with bioadaptive skin care that helps your skin adapt to environmental stressors like late nights, pollution, and UV and blue light rays—for better, balanced skin every single day. It's so intuitive, it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Nutricentials Bioadaptive Skin Care.™  
Make every day a great skin day.

### MEET CELLTRETREX ALWAYS RIGHT RECOVERY MASK

Give your skin the relaxation and recharge it craves with Celltrex Always Right Recovery Mask. Infused with bioadaptive botanicals, this luxurious mask helps your skin recover from, and increase resiliency to, the effects of stress, pollution, and your unique environment. And with Shea Butter and Agave Extract, the lightweight emulsion delivers quenching hydration while soothing and calming skin. Sit back, relax, and slip on a mask to give yourself some self-loving care while supporting your skin's natural repair process.

### WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Gives skin a smooth, glowing, energized look so you can always put your best face forward.
- Provides immediate moisturization for an improved appearance.
- Helps calm and soothe skin.
- Helps skin rebound from, and increase resiliency to, the effects of stress, pollution, and free radicals.
- Supports the skin's natural recovery process.

### WHAT POWERS IT

- Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.

- Shea Butter—moisturizes for softer, smoother skin.
- Agave Extract—helps calm and soothe skin.
- Hollyhock Extract—provides antioxidant protection to protect skin from damaging free radicals.
- Caffeine—gives skin a more energized appearance.

### HOW TO USE IT

After cleansing and toning, place the mask over the face with the designated openings positioned around the eyes and mouth. Smooth the cotton sheet over the contours of the face until most of the air bubbles are cleared. Leave the mask on for 10–20 minutes, then peel off and discard. Gently massage the remaining serum into skin—do not rinse. Use 2–3 times per week or as needed.

### LEARN MORE ABOUT IT

#### What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. These special properties help your skin adapt to its changing and unique environment so it can recover from—and gain resiliency to—environmental stressors.

# NUTRICENTIALS® CELLTREX® ALWAYS RIGHT RECOVERY MASK

## Can I use Nutricentials Celltrex Always Right Recovery Mask more than 2–3 times per week?

Yes! You can use Celltrex Always Right Recovery Mask as often as you desire. The soft cotton sheet and powerful hydrating formula are gentle on skin and leave your face feeling smooth and revitalized. Using the mask 2–3 times per week is typically enough, but it is completely safe to use more frequently.

## How is Nutricentials Celltrex Always Right Recovery Mask related to Nutricentials Celltrex Always Right Recovery Fluid?

Both products are treatment steps in your skin care routine. Celltrex Always Right Recovery Mask acts as an intense moisturizer that supports your skin's natural recovery process. Celltrex Always Right Recovery Fluid is a lightweight serum formulated with bioadaptive botanicals that help your skin adapt to its unique environment, while other powerful ingredients provide just the right amount of hydration as they increase radiance and boost protection against whatever life throws at you. Use both Celltrex Always Right products together, along with the entire Nutricentials Bioadaptive Skin Care™ line, and always have a great skin day.

## How does Nutricentials support Nu Skin's commitment to become more sustainable?

Nutricentials product bottles are made from 100% post-consumer resin, and the tubes are made with 34–35% post-consumer resin (PCR). Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. Please check your local capabilities and recycle the bottles, jars, and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us.

Visit [www.nuskin.com/sustainability](http://www.nuskin.com/sustainability) for more information and details on how to recycle.

## What is the Nutricentials commitment to clean formulas?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials worry-free ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials
