

NUTRICENTIALS®

THIRST FIX

HYDRATING GEL CREAM

Your skin has a mind of its own. But now you can make it resilient to what life throws at you with bioadaptive skin care that helps your skin adapt to environmental stressors like late nights, pollution, and UV and blue light rays—for better, balanced skin every single day. It's so intuitive, it knows what your skin needs before you do. And with clean formulas, you can feel confident about what you're putting on your skin. Nutricentials Bioadaptive Skin Care™. Make every day a great skin day.

MEET THIRST FIX

Experience a burst of weightless moisture for smoother skin and a healthy glow with every application. This oil-free gel cream features a blend of bioadaptive botanicals that works to help protect against, and increase resiliency to, environmental stressors. At the same time, a unique Biomimetic Moisturizing Complex mimics natural elements in your skin to provide long-lasting hydration. Plus, botanical Cats Whisker extract helps soothe the skin and balance excess sebum caused by stress to deliver a healthy—not shiny—glow. Nutricentials Thirst Fix provides a cooling feel and refreshes while delivering rapid, ultra-lightweight hydration perfect for thirsty skin.

WHY YOU'LL LOVE IT

- Made with bioadaptive botanicals that help your skin adapt to its environment.
- A clean formula with worry-free ingredients you can feel good about putting on your skin.
- Helps your skin adapt to its changing and unique environment so you can always put your best face forward.
- Provides immediate hydration and 24 hours of continuous moisturization.
- Rapidly hydrates and refreshes skin.
- Helps skin attract and capture water so that it keeps its necessary moisture.
- Helps soothe the skin and balance excess sebum caused by fatigue, stress, and pollution.
- Helps protect against, and increase resiliency to, the damaging effects of stress, pollution, and free radicals.

WHAT POWERS IT

- **Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)**—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- **Biomimetic Moisturizing Complex**—a blend of sugars and moisturizers naturally found in the skin that help attract and capture water for improved skin barrier function and fast, long-lasting hydration.
- **Cats Whisker**—a botanical extract that helps soothe the skin and balance excess sebum caused by fatigue, stress, and pollution.

CLINICALS THAT PROVE IT

In a third-party study, after a single application, subjects experienced:

+173% immediate hydration.

+104% hydration after 12 hours.

And continuous hydration for a full 24 hours.

HOW TO USE IT

Apply a generous amount to clean, dry face and neck.

- Nutricentials Celltrex® Always Right Recovery Fluid
- Nutricentials Celltrex Always Right Recovery Mask
- Nutricentials Brighter Day Exfoliant Scrub

NUTRICENTIALS® THIRST FIX HYDRATING GEL CREAM

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties. These special properties help your skin adapt to its changing and unique environment so it can recover from—and gain resiliency to—environmental stressors.

What skin types should use Thirst Fix?

Thirst Fix is formulated to be suitable for any skin type. This is a perfect option for those who love a thin, lightweight moisturizer.

Can I use Thirst Fix morning and night?

Thirst Fix fits perfectly into your morning and nighttime skin care routine. This gel cream provides weightless hydration and helps your skin adapt to daily stressors. For daytime UV protection, add a sunscreen product like Day Dream Protective Lotion SPF 35.

How does Nutricentials support Nu Skin's commitment to become more sustainable?

Nutricentials product bottles are made from 100% post-consumer resin, and the tubes are made with 34–35% post-consumer resin (PCR). Plus, more than 90% of our palm ingredients are Roundtable on Sustainable Palm Oil (RSPO) sourced. Please check your local capabilities and recycle the bottles, jars, and cartons where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us.

Visit www.nuskin.com/sustainability for more information and details on how to recycle.

What is the Nutricentials commitment to clean formulas?

With our commitment to transparency, sustainability, and using only the best of science and nature, we bring you clean formulas based on our Nutricentials worry-free ingredient list—all in sustainable packaging. So you can feel confident in your natural glow and in your skin care. Nutricentials Bioadaptive Skin Care™ is responsible skin care for conscious consumers.
