

Nutricentials® Bioadaptive Skin Care™

Your skin has a mind of its own. But now you can make it resilient to its mood swings with **bioadaptive skin care** that helps your skin adapt to environmental stressors like late nights, pollution, UV and blue light rays—for better, balanced skin every single day. And with Nutricentials' worry-free ingredients you can feel confident about what you're putting on your skin. Nutricentials Bioadaptive Skin Care. Make every day a great skin day.

We're hard at work finalizing our Nutricentials packaging and design. However, we are so eager for our Team Elite Leaders to try the new Nutricentials Bioadaptive Skin Care products that we have done a pre-production manufacturing run of several products just for you! We hope you enjoy this sample set, as we continue to finesse and finalize packaging, and make everything perfect for actual production, coming soon.

BRIGHTER DAY EXFOLIANT SCRUB

By removing dead cells and pore-blocking impurities, Brighter Day leaves you with a smooth, bright complexion. Unlike other exfoliants, our double-feature formula uses pomegranate enzymes to help loosen dead skin cells while natural exfoliating minerals remove them from your skin. Combining both enzymatic and physical exfoliation more effectively clears out dead cells without damaging your healthy skin. Plus, bioadaptive botanical extracts and aloe vera nourish and soothe for post-scrub skin comfort. It's deep-cleansing bliss.

KEY INGREDIENTS

- Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- Natural Exfoliating Minerals—extra fine, extra gentle, naturally sourced particles gently and evenly exfoliate to reveal softer, smoother skin.
- Pomegranate Enzymes—naturally sourced, gentle but effective enzymes help break down the “glue” of dead cells and exfoliate for smoother skin.
- Aloe Vera—nourishes and soothes skin as you exfoliate.

DIRECTIONS: After cleansing, apply to damp face and neck and gently massage face for 30 seconds. Rinse thoroughly. Use twice a week as needed.

DAY DREAM PROTECTIVE CREAM CREAMY DAY MOISTURIZER SPF 35

This SPF 35 formula contains bioadaptive botanical extracts to help your skin stay soft and hydrated no matter what life throws at it. Apply each morning for a refreshing barrier that hydrates and protects skin against UV damage, blue light, infrared, and other damaging environmental stressors. Everyone will want to know your secret to visibly radiant, healthy skin.

KEY INGREDIENTS

- Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- Blue Light and Infrared Filtering Blend—targets the effects of excessive blue and infrared light to mitigate skin barrier dysfunction, restore the skin's natural moisture barrier, and reduce the appearance of dull, uneven skin.
- Bisabolol—a sustainably harvested, naturally derived ingredient native to South America that soothes and hydrates as it protects skin against the damaging effects of daily environmental stressors.
- Vitamin E—a powerful antioxidant that protects against free radicals caused by environmental stress.

DIRECTIONS: Apply a generous amount to clean face and neck in an upward, outward motion.

MOISTURIZE ME INTENSE HYDRATING CREAM

Long-lasting hydration doesn't have to be a chore. Moisturize Me is an ultra-hydrating cream that delivers intense moisture, without feeling greasy, to keep your skin soft and content for hours. Formulated with bioadaptive botanicals to help protect against and increase your skin's resilience to environmental stressors, and evodia rutaecarpa for a burst of visible radiance, Moisturize Me is your multi-benefit solution for beautifully hydrated skin.

KEY INGREDIENTS:

- Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- Evodia Rutaecarpa—a Chinese herb traditionally used for its anti-inflammation benefits. Increases radiance to visibly improve skin's luminosity.
- Glycerin—draws moisture to the skin to keep it hydrated and smooth.

DIRECTIONS: Apply a generous amount to clean, dry face and neck.

OR

THIRST FIX HYDRATING GEL CREAM

Experience a burst of weightless moisture for smoother skin and a healthy glow with every application. This oil-free gel cream features a blend of bioadaptive botanicals that works to help protect against and increase your skin's resiliency to environmental stressors. At the same time, a unique biomimetic moisturizing complex mimics natural elements in your skin to provide long-lasting hydration, and cats whisker extract helps soothe the skin and rebalance excess sebum caused by stress, for a healthy, not shiny, glow. Thirst Fix instantly cools and refreshes while providing rapid ultra-lightweight hydration perfect for thirsty skin.

KEY INGREDIENTS

- Bioadaptive Botanical Complex (Rhodiola, Maral Root, Siberian Ginseng, Chaga Mushroom, and Resurrection Plant)—a blend of botanical extracts from plants that thrive in extreme climates and can help your skin bounce back from stressors.
- Biomimetic Moisturizing Complex—a blend of sugars and moisturizers naturally found in the skin that help attract and capture water for improved skin barrier function and fast, long-lasting hydration.
- Cats Whisker—helps soothe the skin and rebalance excess sebum caused by fatigue, stress, and pollution.

DIRECTIONS: Apply a generous amount to clean, dry face and neck.

Each set also includes one of the following moisturizers
