

# NU COLOUR® CURL & LASH MASCARA

EVERY MOMENT YOU SHINE.

## SYSTEM OVERVIEW

Get ready for stronger, visibly curled eyelashes. Nu Colour Curl & Lash Mascara is a black colored mascara formulated to nourish and strengthen eyelashes, while providing a curled appearance.

## WHY YOU'LL LOVE IT

- Curved brush gives a long-lasting curling power and provides the wide-open eye effect
- Black colored mascara in a light liquid formula
- Nourishes and strengthens eyelashes
- Curve brush adaptable with streamlined eye shape and line

## WHAT POWERS IT

- Acacia Senegal Gum—a binder which helps the formula feel light and smooth—not sticky.
- Copernicia cerifera (carnauba) wax and hydrolyzed wheat protein—nourishes and strengthens lashes.

## HOW TO USE IT

Applying your mascara is the last step of doing your facial make-up. Open the mascara and rib the end of the applicator to the side to remove excess. Hold your eyes open as wide as possible and gently go over your eye lashes beginning at the root, gently pulling the wand up to the end of your lashes. If you see your lashes are not entirely separated, then gently repeat movement again for best results.

## WHAT YOU MIGHT ALSO LIKE

- Nu Colour Nutriol Eyelash Treatment
- Nu Colour Powerlips Polish
- Nu Colour Powerlips Fluid
